Happy to get extra staff, happy 10 to get some -- some manpower so to speak 11 or just some hands, but I would have liked to have been in the hiring process. 12 13 would have liked to be able to hire who 14 would be my direct reports. 15 Q. - A. I believe so.
- Q. And what was the sum and substance of your conversation with Mr.

  Marbury; what did he say, and what did you
  - A. There was a phone call that
    Stephon Marbury called me and was
    displeased about the salary for his -- his
    relative. He wasn't happy with the salary
    or his hours or his parking or just
    Hassan -- Hassan wasn't happy with his job
    and what he was doing. So I guess that
    was Hassan told Stephon. Stephon called
    me to express that he wasn't pleased with
    the situation as it was, and in that
    discussion is where I tried to explain,

well, here is -- here is how it is. Here

208 1. GLADSTONE the -- here's what the job is. Here's 2 3 what it entails. Here is the salary. 4 Here is the hours. Here is kind of what's acceptable, what's not acceptable. 5 6 Q. You explained this to Mr. 7 Marbury? 8 Α. I did. 9 Do you -- do you talk to Mr. 10 Marbury regularly as part of your job? 11 Α. No. 12 Can you say approximately how 13 many conversations you have had with him? 14 Α. Maybe four to five. 15 And he is the Knicks -- one of 16 the Knicks star players, correct? 17 Α. That's correct. 18 So it's generally a pretty memorable event for you to speak to him, 19 correct, especially --20 21 We speak at work. If it's a Α. 22 Knicks appearance, if he is at a Knicks 23 camp, we will discuss the event and the 24 appearance and what to expect of him, and 25 we will do what he does.

So that was unusual? 8 That was very unusual to get a 9 call. 10 And did Mr. Marbury say anything else in this telephone call other than 11 12 what you've already said? 13 He did. He was extremely hostile, and he had many derogatory things 14 15 to say about Anucha. 16 How is that Mr. Browne-Sanders came up in the conversation? 17 18 I explained to Stephon that 19 Anucha is the boss, and she runs our 20 office, and she determines salaries. sets the structure that's in place, and 21 22 basically she -- she is in charge. 23 What did -- what did Mr. Marbury Q. 24 have to say in response to that? 25 I don't know if it was in Α.

I do. 8 Α. 9 And what were the circumstances Q. 10 of your writing this E mail? 11 Anucha had asked for me to give her as much documentation regarding Hassan 12 13 Gonsalves, this Stephon phone call, and 14 Vernon Manuel. 15 Okay. Had you had any 16 conversation with Mr. --17 Ms. Browne-Sanders in June about your 18 conversation with Mr. Marbury? 19 Α. I did. 20 And could you tell me what was said in that conversation back into June? 21 22 Well, to the best of my ability. She -- I called her after I had got off 23 the phone with Stephon Marbury and told 24

her that I just had a phone call where

Just that it was not -- it was not a high 11 point career discussion talking about 12 this -- this kind of language. 13 14 Did you have any further Q. conversation with her about Mr. Marbury's 15 16 call to you at that point in June? 17 Α. No, not that I can recall. 18 And how did it come to be that Q. in November you were writing an E mail 19 20 about the substance of the call? That's actually a good question. 21 22 I -- I was pretty surprised that all this 23 information -- she needed this information. It was -- seemed apparent to 24 25 me that she was getting as much

- Q. And as part of that, she had

- 12 A. I believe so.
- Q. And as a result of that
- 14 direction, that's what you produced as the

- 16 A. That's correct.
- Q. There are several items in

- Do you have a recollection of
- 21 | Mr. Marbury saying all those things that

- 23 A. I do.
- Q. The third bullet point refers to

I'm not sure. 8 -Q. Did you -- did you ask him? 9 Α. I didn't. 10 Did you know whether he was Q. 11 referring to the other players? 12 It could have been the players. Α. 13 It could have been his family. I don't 14 know. 15 Do you know whether he could 16 have been referring to Mr. Thomas? 17 I don't know. Α. 18 Do you know whether Mr. Marbury 19 and Mr. Thomas have a -- have a close 20 relationship? 21 Apparently so. I read that in 22 the newspaper. 23 You don't know anything more about that than what you read in the 24 25 newspaper?

Well, did you just refer to them 24 generally as disparaging remarks or were 25 you more detailed about it?

## Anucha

As per your request, I am submitting some comments made by Stephon Marbury from a phone conversation that happened this summer in June (perhaps June 16th at 9 PM in the evening) when he called me on my cell phone to comment on events that transpired as mentioned below in the attached email as pertaining to his cousin, Knicks staffer Hassan Gonsalves:

Stephon was upset that he felt his family member, Hassan, was being treated unfairly by Knicks management

Stephon was not happy with the salary range for his cousin Hassan.

I explained the timesheets and payroll process, and that Hassan would not be assigned to work more then 35 hours per work nor would he be assigned to work overtime and Hassan's salary was determined by Knicks management.

I explained that Hassan was not granted a parking spot at 31st street garage and I did not approve him using my access code nor was I aware he was forging my signature to park his vehicle.

Stephon was upset at these circumstances and expressed extreme displeasure at the Knicks front office staff, particularly mentioning Anucha

Though time has passed, several comments I can recall Stephon making include:

## all referring to Anucha

"No one likes that black bitch"

"Fuck that black bitch, she thinks she runs the Knicks, she don't run shit. I sell the tickets around here, not her, I put people in seats, this is my team."

"We don't like her, she thinks she tells us what to do, she don't tell us shit"

"Fuck that black bitch, she ain't shit and we'll see what happens this year"

the conversation was more detailed but to the best of my ability those are the only exact phrases I can recall. I did call you that night to give you a head's up that Stephon was angry with the situation and that Stephon had some hostile things to say about members of Knicks management.

## sincerely

Staffing issues

As per your request - here are 2 issues that occurred this week that need to be bought to your attention regarding Knicks Field Marketing staffer Hassan Gonsalves:

Time Sheets - over the period of Hassan's employment (hired October 2004) he has had trouble completing his biweekly administrative time sheets properly (submitting to me for approval, for me to sign, and then submitting to payroll to process on time so that Hassan would receive a paycheck). I have had to return at least 6 timesheets for

Hassan to re-do and properly submit to me for approval/signature in order to reflect the proper time/hours worked on Knicks events, and as a result often Hassan has not had his timesheet submitted to payroll in order in time to get his check the following week. Recently Hassan again submitted a timesheet reflecting overtime he was not approved to work - I made a change in his hours to reflect what he WAS approved to work and submitted to payroll for him so that he would be paid on time to expedite the process. On this occasion, I submitted the timesheet and send it back to Hassan to correct, because I wanted to get it to payroll in a timely manner so he would be paid the following week.

Parking - it has come to my attention through the managers at Central parking system that Hassan has been using my parking account (#3-6-9) for the 31st street lot to park his own personal vehicle on a frequent basis under my name. I did not approve nor give out my account to Hassan to park his car on my account nor use my code. In fact, I have been extremely clear to Hassan that he is NOT to drive nor EVER be behind the wheel of a MSG vehicle as the result of a background check on his driver's license which resulted in him not being permitted or legal to drive company vehicles, thus it is extremely important that he does not park on the company account as we could be liable for an accident that occurs in the lot or associated with him parking and driving under the Knicks.

Moving forward, I have attached a DRAFT of a memo I wanted to present to both Tasheem Ward & Hassan Gonsalves to meet with them and re-enforce the nature of their employment status with the Knicks...please review and let me know how to proceed. I can also forward a copy of this memo to HR to approve or comment on...please advise...

A Yes.

But you are not sure it was this third conversation or not?

Right, right.

And what, if anything, did you say to her after she told you this in this third conversation?

A I was just, like, "no way," like, you know, "wow," you know. I don't know, I guess my whole thing was, you know, you give someone the benefit of the doubt, but if it's something that -- and she basically said, "I've told him do not talk to me like that, it's just not appropriate." Yes.

MR. MINTZER: Objection to form.

And what did she tell you about going to Steve Mills?

She went to Steve Mills and explained to him what happened.
